

Portola Valley Approved Native Seed Mixes

**When purchasing your seed mix, please ask the seller to provide you with the full series of steps required to prepare the ground before planting. If the seed is applied without prior control to kill all of the weed seeds in the soil, the native seeds will not be able to compete and grow.

Where to find these mixes:

Pacific Coast Seed (800) 733-3462 www.pcseed.com

Hedgerow Farms (530) 662-6847 www.hedgerowfarms.com
